Issue 250 Engineer

Assigned To:	Andrew Holt	Status	Resolved
Opened By:	Debbie Smolar	Category	Flooding
Opened Date	04-May-10	Priority	(2) Normal
		Due Date	5/13/2010

Andrew, Mrs. Susan Stone a resident from 42 School Street, came in complaining about flooding in her basement ever since a storm drain was put in a few years ago. Her phone # 908-283-3194. Please call her and see what is going on there.

Thank you,
Debbie

5/4/10: I e-mailed Andrew this complaint. He responded that he spoke with Mrs. Stone and advise her he will take a look at this later this week or early next week and report back to us. 5/18/10: Andrew Holt's response to this complaint is that he can see no further cause of flooding for Mrs. Stone's basement except that there was a newer patio that was installed at the rear of 44 School street, and may be the source of basement infiltration if its grading and runoff have not been properly routed away from the building (42 & 44 are a two family home). 5/19/10: Manager spoke with Mrs. Stone about her concerns and also to advise Engineer's findings.
